

Let It Go

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen
The wind is howling like this swirling storm inside
Couldn't keep it in, Heaven knows I tried

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door
I don't care what they're going to say
Let the storm rage on
The cold never bothered me anyway

**It's how some distance
Makes everything seem**

And the fears that once controlled me
Can't to me at all

It's time to see what I can do
To the limits and through
No right, no wrong, no rules for me
I'm

Let it go, let it

I am one with the wind and sky

it go, let it go

You'll never see me cry

Here I stand, and here I'll stay

Let the storm on

My power flurries through the air into the ground

My soul is spiraling in frozen fractals all around

And one thought crystallizes like an icy blast

I'm never going back, **the is in the past**

Let it go, let it go

And I'll like the of

Let it go, let it go

That girl is

Here I stand in the light of day

Let the rage on

The cold never bothered me anyway
