## Capture devices

Match the names in the left column with the images on the right.

Have you ever used a microphone or a video camera? Do you know what's a web camera or a digital camera?

|                |                                                                                       |
