IT'S TIME TO BE QUIET!

Exercise:

1. Choose the correct option:

Oh it's time to be _____

Just look around

Everyone is listening Let's all settle down

That's sounding calmer There's no need to _____

We can take some deep breaths Breath in breath out

Yes it's _____ to be quiet Silent like a cloud

Because just one minute ago You were much too loud!

At first it was OK Just a few whispered voices

shout

time

quiet

But then somebody sneezed

And that started more _____!

The laughter got rambunctious

relax

And the shouting followed soon

Then everyone one was screaming

noises

Like 10,000 baboons!

I really couldn't take it The shrieks and the squalls

And then the jumping started You were bouncing off walls!

quiet

Which is why at this moment After all that mayhem passed

I'm so very very happy And can finally _____

Oh it's time to be _____ Just look around

Everyone is listening Let's all settle down
