Some call me _____. Others call me „Mother Nature”. I’ve been here for over 4.5 _____ years. 22,500 times longer than you. I don’t really _____ people. But people need me. Yes, your _____ depends on me. When I thrive, you thrive. When I falter, you falter. Or worse. But I’ve been here for eons. I have fed species greater than you. And I have starved species greater than you. My _____. My soil. My flowing streams. My forests. They all can take you. Or _____ you. How you _____ to live each day, whether you regard or disregard me, doesn’t really matter to me. One way. Or the other. Your _____ will determine your fate. Not mine. I am _____. I will go on. I am prepared to evolve. Are you?
