**Tom's Day**

Hello, my name is Tom and I am a pupil. I am fourteen. I live in England.

Every day, I wake up at seven o'clock in the morning. I brush my teeth and take a shower. Then, I get dressed and have breakfast. I usually have cereal with milk and a banana. After breakfast, I go to school. I walk to school because it's not too far from my house. It takes me ten minutes to get to school.

My school begins at half past eight. At school, I have different classes like math, science, history, geography, biology and English. We also learn how to dance, sing and perform. My favourite lessons are art, drama and sport.

At half past twelve we have a lunch break. We eat in our big canteen. I have lunch with my friends. We usually eat sandwiches, pasta or salad. Sometimes we have meat or fish.

The classes finish at quarter to three. After school, I come back home and do my homework. Sometimes, I play video games with my brother before dinner. For dinner, my family usually has rice, vegetables, and chicken.

After dinner, I watch TV or read a book. Before I go to bed, I brush my teeth and change into my pajamas. I usually go to bed at around 10 o'clock. That is my daily routine!
