At first, my mum thought the **(42)**.....solution would be to give her more work to do. However, Clara found it difficult to work alone and Mr Franks couldn't spend all his time with her because the other children needed his help as well. In the end, they took the **(43)**.....to move her into the next year at school and things changed immediately. Clara became much more interested and her new teacher said she was a very **(44)**..... student to have in class.	**PATIENCE** **LOGIC** **DECISIVE** **PLEASURE**
