A

a Write something in each circle. If it has (T) at the end, you must write something true. If it has (L), you must lie, i.e. invent something.

b Tell **B** about one of your circles. **B** will then ask you questions, and decide if you're telling the truth or lying.

c Now listen to **B** tell you about one of his / her circles. Ask questions to see if it is the truth or a lie. If it's a lie, get **B** to tell you what the true answer is!
