Date: _____

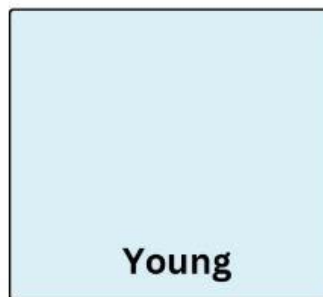

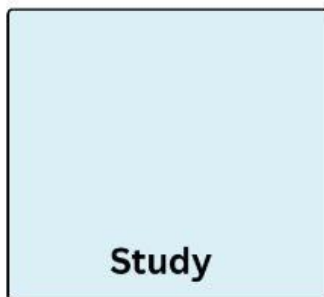

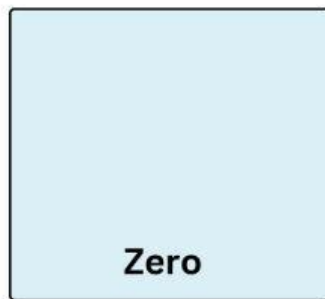

PHONEMES AND PRONUNCIATION

Phonemes are the different sounds of the language. They can help you to differentiate 2 words from each other.

FIRST

Complete the chart with each phoneme.

Pronounce the words and match with the correct phoneme. There is one extra.

SECOND

Select the word with different sound.

John / July / You / January

Zone / Music / Zebra / Nice

Children / Shower / Machine / Shop

Vision / Occasion / Fridge / Decision

Gino / Yes / Yahoo / You

THIRD

Find a different example for each sound.
