If you wanna _____ just _____
Why you wanna bite your tongue for?
The silence _____
Acting like we're not together
If you _____, then what's the use?
Sleeping up under the covers
How am I so far away from you?
Distant (oh) when we're kissing (yeah)
Feel so different (yeah)

[BRIDGE]

Saying that you ___ some time to ___
Thinking that I'm sleeping on the four letter word
But the four letter word don't sleep
We goin' two ___ ways
You ain't been ___ the same
You gotta go, but the way your are used to be
You gold dig every day
I split the four talk to the two talk
'Cause I can't let my job be hear what you say
Girl I tried to give you space
Baby tell me how did you get so cold enough to chill my bones
It feels like I don't know you anymore
I don't understand why you're so cold to me
With every breath you breathe
I see there's something going on
I don't understand why you're so cold
