Community Service

Put the dialogue into the correct order.

___ Have you ever participated in community service?

___ Great! What else have you planned to do?

___ Certainly. Community service is the work which benefits the others and your community.

___ Of course you can.

___ Yes. I'm a volunteer for a charity organization.

_1_ Could you tell me what community service is, Joana?

___ What have you done so far?

___ Well, we have planned to recruit more volunteers and set up a new campaign for recycling.

___ That sounds really interesting! Can I take part?

___ We have cleaned streets, planted trees and encouraged people to donate food, clothes and money to help the poor and needy people.
