

First and second conditional

1 Tick (✓) the correct sentences. Correct the mistakes in the incorrect sentences.

- 1 If you didn't have a smartphone, what would you do? ☒
- 2 Unless everyone won't stop flying, climate problems won't get better. ☐
- 3 What would you do if you lost your friends at a music festival? ☐
- 4 If we'll go to Germany next year, we'll take the train. ☐
- 5 I wouldn't tell Sally any secrets if I were you. ☐

2 Complete the text with the correct form of the verbs in brackets.

Would you go and live on a different planet if there 1 wasn't (be) enough space on Earth? Scientists think that if our population grows much more, we 2 (not have) enough room for everyone. If that 3 (happen), we will need to find somewhere else for people to live. A company called SpaceX is trying to build a special rocket. If it 4 (be) successful, it will be able to take people to a colony on Mars. However, some people say that if everyone leaves, there 5 (not be) enough people to fix the problems here. So, what would you do? If you had the chance to leave, 6 (you/do) it?
