I want it now

Not the promises of what ..... brings

I need to ..... in dreams today

I'm tired of the song that sorrow sings

And I want ..... than I can get

Just trying to, trying to, trying to forget

I'd walk to you through rings of fire

And ..... let you know the way I feel

Under skin is where I hide

The love that ..... gets me on my knees

Nothing ever lasts forever

Don't .....me that my ship is coming in

Nothing comes to those .....wait

Time's running out the ....., you're running in

All the shadows and the pain

Are coming to .....
