Someone You Loved

I'm going under, and this time, I fear there's no one to save me
This all or nothing really got a way of driving me crazy
I need somebody to hear, somebody to know
Somebody to have, somebody to hold
It's easy to say, but it's never the same
I guess I kinda liked the way you numbed all the pain

Now, the day _____ into _____
And you're not here to get me through it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved

I'm going _____, and this time, I fear there's no turn to
This all or nothing way of loving got me sleeping without you
Now, I need somebody to know, somebody to hear

_____ to have, just to know how it feels
It's easy to say, but it's never the same
I guess I kinda like the way you help me escape

Now, the day bleeds into nightfall
And you're not here to get me through it all
I let my _____ down and then you pulled the rug
I was getting _____ used to being someone you loved

And I tend to close my eyes when it hurts sometimes
I fall into your arms
I'll be safe in your sound till I come back around

For now, the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved
But now the day bleeds into nightfall
And you're not here to get me _____ it all
I let my guard down and then you pulled the rug
I was getting kinda used to being someone you loved
I let my guard down and then you _____ the rug
I was getting kinda used to being someone you loved
