Second Test, Caterpillar Module 4

Pts. Obt. Score %

Teacher: Gabriela Naranjo Mora.

Date: Agosto 31st 2024

Student's Name:

General Guidelines

- The test is individual. Any attempt of cheating will be punished.
- The usage of dictionaries and cell phones is prohibited during the test.
- Read the whole test before starting. Check your test has all the numbered pages.
- You're allowed to have only a pencil, a sharpener, an eraser and a pen on your desk. Lending or borrowing materials is forbidden.
- If you commit a mistake, cross out on the incorrect answer and write the correct one at its side.
- Legible handwriting, appropriate usage of grammar, spelling and punctuation marks are expected; answers with illegible calligraphy will not be checked nor scored.

Multiple choice. 5 Points.

INSTRUCTIONS: Read carefully each of the next proposals and their possible answers, in which just one is truth. Write an "x" in the option that has the correct answer. In case you made a mistake, draw an asterisk (*) in the incorrect alternative and mark again. (1 point each correct answer)
