I have been to India twice. When I arrived at the airport, I was exhausted and I \_\_\_\_\_ during the check-in process. When I was on the plane, I tried to \_\_\_\_\_ asleep but I couldn't, I lied \_\_\_\_\_ during the whole flight.

Once I got there, I had an \_\_\_\_\_ with the Uber driver because he wanted to charge me more money! Anyway, we could solve the problem. After that, I went to the hotel to leave my bags. I \_\_\_\_\_ in bed and took a nap. I woke up and decided to go sightseeing. I wanted to try the local food and I had a surprise! The food tasted so \_\_\_\_\_!

I stayed there for a month and \_\_\_\_\_ my family a lot! I talked to them every day so I didn't feel so lonely. Communication was hard because not a lot of people speak English in India.
