

I Gotta Smile

by
ZAC SLATER

Ay, I'm feeling pretty good today.
Minus the hate that I see on the TV.
But I don't own a TV.
So I guess I _____ **1. (to watch)** too much TV.

Hey, but you feel sorry I just woke up.
Let me get some coffee to quickly fill up my cup.
I was feeling down now I gotta look up.
Thanks to the help from my Mumma's wise words.

"We _____ **2. (to be)** all destined to do great things.
We just gotta work hard to find out what it is"
Man, I had a dream,
Since I was a kid.

That I _____ **3. (to rock)** this world with my guitar.
One show at a time,
And see you up in the front row,
With nothing but cool love in my veins.

Chorus

I gotta smile.
It's time to look up.
It's time to feel my blues out, yeah.
It's time to feel good.
Time to feel how I should.
Ain't that a pretty background? Yeah.

And you wouldn't believe.
I could paint an ugly picture,
Yeah, with the prettiest trees.
Believe me, my man,
Ay, down on my knees, yeah
Oh yeah, I would feel so free.
Ay, now bring it back!

Man I'm squirting this chocolate topping on everything,
'Cause it _____ **4. (to taste)** damn near good on anything.
Used to come second a lot now I don't wanna win.
Bugger that hear me coming from the back.

I'm coming man, I'm a runner man.
Hope you understand that I'll be in your town soon.
Hey and then I'm off again but I _____ **5. (to come up)** out of a hole.
And I really feel being happy is the most important thing of all.

And the best part about life is when you was a kid,
You _____ **6. (to know)** what tax is.
Na' I guess it's what you make it.
Pick it up and run son, yeah.

We're all destined to do great things.
We just gotta work hard to find out what it is.
Man I _____ **7. (to have)** a dream since I was a kid.
Stop! And let's dance for a minute.

Chorus

+

I feel so free... I feel so free.
And you're looking at me... I'm so free.
I feel so free... oh oh oh oh oh.
I gotta... I gotta... oh I gotta smile, yeah.

I gotta smile.
It's time to look up.
It's time to feel my blues out.
It's time to feel good.
Time to feel how I should.
Ain't that a pretty background?
Yeah, uh uh.

And you wouldn't believe.
I could paint an ugly picture,
Yeah, with the prettiest trees.
Believe me, my man,
Ay, down on my knees, yeah
Oh yeah I would feel so free, oh oh.
Bring it back!

I gotta...
I gotta smile!
I gotta smile yeah!
