

# SYNTHESIZE & PARAPHRASE

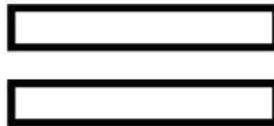

What is a question that your essay will answer:

---

Quote 1 & Source information:

Quote 2 Source information:

The quotes from my sources answer the question  
in this way...

# SYNTHESIZE

When you synthesize, you are taking multiple pieces/aspects of something and bringing it together to explain a whole. (i.e. taking quotes from different sources to create an argument)
