

## Grammar

Change the following adjectives to comparative and superlative form.

|                                                                                     | adjective | Comparative form | Superlative form |
|-------------------------------------------------------------------------------------|-----------|------------------|------------------|
|    | old       | older than       | the oldest       |
|    | tall      |                  |                  |
|    | happy     |                  |                  |
|   | noisy     |                  |                  |
|  | big       |                  |                  |
|  | sad       |                  |                  |
|  | soft      |                  |                  |
|  | messy     |                  |                  |
