 Subject: Your trip to Toronto 

Hi Ben,

We got home a few days ago but I've still got really bad jet lag – I feel wide awake at bedtime, but I can't keep my eyes open in the afternoon! Although I've just seen you all in Hong Kong, I already miss you and my other friends in Class 5A. So it's good that you're coming to Toronto soon! Toronto is a great city to live in. I can't wait to show you some of my favourite places.

Toronto's most famous place is the CN Tower. It's a really tall tower. I've been there twice already. There are fantastic views of the city. When we went there last month, the weather was good and we saw Niagara Falls – 125 km away!

I've seen Niagara Falls close up too. They're wonderful! We went on a boat trip there last year. The waterfalls are so noisy – they sound like thunder! Unfortunately I dropped my camera over the side of the boat. I'll never forget the splash as I lost all my photos. What a disaster! I think I'll have to go again.

We should also visit Wonderland. I've never been there but everyone at school says it's amazing. It's Canada's best theme park with a huge water park, a dinosaur park and more than 65 rides. I know you'll love the roller coasters!

There are so many fun things to do in Toronto; I can't write them all in an e-mail. I've attached a map of the best places and you can check out this website: <http://www.toronto.ca/> and let me know what you think looks good.

Looking forward to seeing you soon!

Daisy
