

In this part you:

- **read** some information
- **find** eight missing words (choose from A, B or C)

### Grammar Comparatives

1 Cross out the two wrong words in each sentence.

**Example** The mountains in Canada are higher **than / what / then** the ones in Italy.

- 1 The sun is *much / more / most* bigger than the moon.
- 2 It's hotter in Africa *when / than / then* it is in India.
- 3 The River Nile is one of the *long / longer / longest* rivers in the world.
- 4 *A / The / One* largest area of rainforest is in South America.
- 5 Our world is not the same *as / like / to* the other planets.
- 6 Some of the *much / most / many* unusual animals in the world live in Australia.

2 KET candidates often use **than** when they should use a different word.

3 Correct the mistakes.

1 It's great <u>than</u> she did that. ....	4 Let's go to the shops <u>than</u> to the beach. ....
2 I think <u>than</u> I'll arrive at 5 p.m. ....	5 My mobile is not as good <u>than</u> yours. ....
3 I had dinner <u>than</u> watched TV. ....	6 My jumper is the same <u>than</u> his. ....

### Grammar Pronouns

**Tip!** Sometimes *who*, *which* or *that* are the missing words. Look at the noun that comes before the space to see which one you need.

3 Choose the best word for each space.

**Example** One day, I want to have a job which is really exciting.

- 1 I'd like to be an explorer ..... finds a new kind of animal.
- 2 I saw a movie about two men ..... did that.
- 3 They found a kind of dragon ..... lived in the jungle there.
- 4 The photo ..... they took of the dragon was in the newspapers.
- 5 But most people ..... saw the picture didn't believe it!

### Remember!

Comparing:

Elephants are **bigger than** most other animals.

Dolphins are **much smaller than** whales.

Giraffes are **the tallest** animals in Africa.

Monkeys are **the most interesting** animals in the world.

Dragons are **very different from** dinosaurs.

Spiders are **not the same as** insects.

### Remember!

The woman/person/child **who/that** ...  
The book/bike/country **which/that** ...

*what/which/who*

*who/whose/which*

*what/that/whose*

*who/what/which*

*that/who/what*

*which/what/who*

**Tip!** Pronouns are also often tested

In Part 5. Always read the whole sentence before you choose the missing word.

4 Complete the text with words from the box.

you It its we They them their

Did (0) ..... **you** ..... know that an elephant uses (1) ..... ears to make it look more dangerous and to keep cooler on hot days too? The oldest elephant that (2) ..... know about lived for 82 years and the largest one weighed 12,000 kilos! (3) ..... have to eat nearly all the time because (4) ..... bodies are so big. (5) ..... is easy to find out more about (6) ..... on the internet.

## Questions 28 – 35

Read the article about elephants.

Choose the best word (A, B or C) for each space.

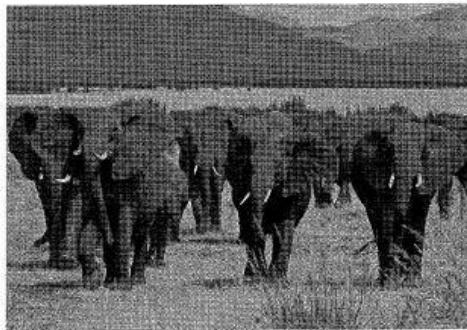

For questions 28 – 35, mark A, B or C on your answer sheet.

## Tips!

- Read the whole text once before you begin.
- Remember the difference between *who* and *which*.
- Think carefully about which pronoun to use.

## What do you know about elephants?

There are two kinds (0) ..... elephant – African elephants and Indian elephants. African elephants, (28) ..... are taller, also have bigger, rounder ears. An African elephant's ears are almost (29) ..... same size as sheets for a single bed! But elephants don't only use (30) ..... ears to hear with. They wave them around to make them look much (31) ..... dangerous than they really are.

Elephants stay together in groups called 'herds' and can live (32) ..... 80 years. They are very big and they never stop (33) ..... . They often eat for 20 hours each day because they have such big bodies. An African elephant is heavier (34) ..... six cars! The only animals that are (35) ..... than elephants are whales.

## Example:

0 A from      B off      C of
