- You will be given three things. It might be three places, books, people, films etc. You must read the text carefully and not just look at the words on their own. Read about each person/thing one at a time and match them to the questions.
- Read all the questions to find the information you need to look for in the texts.
- Read the texts quickly and try to find the right information for each question.
- When you find the answer, read the piece of text carefully again and check that it answers the question.
- Before you choose the answer, check that it doesn't answer another question. If it does, you must choose which one is the closest answer.

## Three teenagers talk about their holiday

Andrew

Today our teacher asked us where we are going on holiday and what we are taking with us. I'm going to the beach with both my parents. I don't need my passport. It will be very hot, so I am taking my swimming costume and a big towel but not an umbrella. I like my blue towel, it's my favourite colour. My friend told me to take my camera because you can sometimes see dolphins. I will also take my sweater as it sometimes gets cold at night.

Peter

My teacher asked me about my holiday. I'm going to a house in the mountains with my uncle and aunt. It will be very cold all the time, so I will take my favourite blue scarf and gloves. My aunt said there will be a lot of snow. We are going there because my uncle likes snowboarding. I am excited because I will go on a helicopter again. We are going to the top of the mountain. I must take my trainers and a good hat!

Ben

I told our teacher that I'm going on holiday to the forests in Germany with my father and my brother. This will be the first time I go on an airplane. We will go to the airport two hours before the flight. My mum says it rains a lot in the area we are going to. So, I'll take my blue raincoat which has a picture of a dolphin on it and possibly an umbrella. I will also take my yellow boots and, of course, my passport.
