Questions 10 to 14

Read the text below and answer the questions that follow. Circle the correct answer A, B or C.

All about pasta

If you ask people about what Italians love to eat most. Their answer will definitely be pasta and pizza. Most Malaysians are tried these two types of food.

Pasta can be very versatile because you can have anything on it: meat, vegetables, fish, or cheese. It is served with olive oil or different kinds of sauces such as tomato sauce, pesto sauce and more. One of the British people's favourite sauces is Bolognese sauce. It is a sauce made by mixing tomato sauce and meat. We usually have this sauce with spaghetti. In fact, many British people would call spaghetti Bolognese as 'spag bol'.

Pasta is made from wheat and it comes in many different shapes. There are about three hundred and fifty different shapes of pasta, and they have different names such as spaghetti, linguine, penne and macaroni. In Italy, pasta can be served as either a starter or a main course. It is not only delicious but also healthy.
