

**For the First Time in Forever**

The window is           !  
So's that           !  
I didn't think they did           anymore.  
Who knew we owned eight thousand salad           ?

For years I've roamed these empty halls  
Why have a ballroom with no balls?

**Finally they're opening up the           !**

There'll be actual, real live people

**It'll be totally**

But, wow! Am I so ready for this change!

**For the           time in forever**

There'll be music, there'll be light

**the first time in forever**

I'll be dancing through the night

Don't know if I'm elated or gassy

But I'm somewhere in that zone

**'Cause for the first           in forever**

I won't be alone

I can't wait to meet everyone... What if I meet THE one?

Tonight, imagine me gown and all, fetchingly draped against the wall

**The picture of sophisticated**

I suddenly see him standing there,

**A beautiful stranger,           and rare**

I wanna stuff some chocolate in my face

But then we laugh and talk all evening

**Which is           bizarre**

Nothing like the life I've lead so far

**For the first time in**

There'll be magic, there'll be fun

**For first time in forever**

I could be noticed by someone

And I know it is totally crazy

To dream I'd find romance

**for the first time in forever**

At least I've got a chance!

Don't let them in.

Don't let them see.

Be the good girl you always have to be

Conceal. Don't feel. Put on a show.

Make one wrong move and everyone will know

But it's only for today

It's only for today

It's agony to wait

It's agony to wait

Tell the guards to open up the gate

The gate

**The gate, the gate, the**

**For the first time forever**

**We're no longer outside**

**For the first time in**

**The gates are wide**

I know it all ends tomorrow, so it has to be today

'Cause for the...

**The first time**  
**first time in forever**

Nothin's in my way!
