

This is a modern studio with beautiful furniture and a lot of space. There are some / a little windows in the living room, and there is a lot of / many natural light. There isn't much / many furniture. In the living room, there is a sofa near / above the window.

In the middle of the kitchen, there is a big / small island with some / any chairs around it. There are many / much cabinets for storage, and there is a stove above / next to the counter.

There is a dining room near / behind the kitchen, with a beautiful table and little / a few chairs.

In the bedrooms, there are two / a lot of big beds with pillows and blankets.

The bathroom is clean and big / small. There is a shower in the corner and two sinks.

There are a little / some interesting places to visit. There is a new / old shopping mall, and there are a few / any restaurants where you can eat delicious food.

It's an amazing / boring place to live with modern / old furniture and a lot of / a little space for you to enjoy!
