My Good Friend

I have a good friend named Alex. He is always there for me when I need support. Alex listens to my problems and gives me good advice. He makes me laugh with his great sense of humor. We enjoy playing sports and video games together. Alex is very kind and helps others whenever he can. He is also very reliable and keeps his promises. I like Alex because he is a true friend who cares about me. We have a lot of fun and share many good memories. Alex is a special person in my life, and I am grateful to have him as my friend.
