3. She has _____ friends as her sister does.
4. We have _____ homework this week than last week.
5. They didn't drink _____ water as they should have during the hike.

IV. Read the passage below

Anna and Ben are siblings who love eating healthy. Every morning, they have breakfast with cereal and fruit. Anna likes eating apples, while Ben prefers oranges. They both drink a glass of milk in the morning.

For lunch, they usually have a salad with many different vegetables. Anna always chooses carrots and tomatoes, while Ben enjoys lettuce and bell peppers. Although they have different preferences, they both agree that vegetables are very important for their health.

Anna and Ben's parents always encourage them to drink plenty of water and eat less candy. "Water is good for your body, and candy only harms your teeth," their dad often says. Finally, they always end the day with a healthy dinner of vegetables, fish, and rice.

A, Answer the questions:

0. What do Anna and Ben have for breakfast?

→ _____ ***They have cereal and fruit*** _____.

1. What do they both drink in the morning?

→ _____.

2. What do Anna and Ben usually have for lunch?

→ _____.

3. Do Anna and Ben have the same vegetable preferences?

→ _____.

4. Do Anna and Ben's parents encourage them to drink a lot of water or eat a lot of candy?

→ _____.

5. What do they have for dinner?

→ _____.

B. Complete the sentences with the correct word: many, much, less, all, both

1. _____ Anna and Ben have different vegetable preferences.

2. They drink a glass of milk every morning, so they don't need _____ juice.

3. _____ of them agree that vegetables are important for health.

4. They have _____ vegetables in their salad for lunch.

5. Their parents tell them to eat _____ candy and drink more water.
