### Elena Peters

I'm a doctor in a big hospital. I usually work from Monday to Friday, but I sometimes work on Saturdays and Sundays, too. I always get up at 7 o'clock. I have breakfast with my family and then I go to work at 8 o'clock. I usually cycle to work, but sometimes I take the bus. I never drive to work. I arrive at the hospital at 8.30. At 1 o'clock I have lunch. I often go to a café and I always have a cheese sandwich, a salad and a big cup of tea. The food is good, but the café is usually busy. I usually go home at 6.30, but sometimes I go to the gym first. At 8 o'clock I have dinner with my family. Then we often watch TV. I usually go to bed at 10 o'clock.
