Welcome to my **JUMBO HOME!**

Nearly ¹..... of us have travelled by plane but ²..... people can say they actually live in one? Bruce Campbell, an engineer from Oregon in the USA, can. Bruce bought the Boeing 727 in 1999 and he's worked hard to make it into a home. But why choose a plane when it has only ³..... space to live in? Bruce thinks jets have a brilliant design and that we should reuse them. He's taken out the seats of his Boeing to create a practical living area. And his home now has ⁴..... the things you would find in any house: a shower, a sofa bed, a microwave and a toaster.

So ⁵..... does it cost to live in a jumbo jet? Up to now, Bruce has spent about \$220,000. But for him it isn't about the money. He just wants to have ⁶..... fun with the idea of a home.
