

## FILL IN THE GASPS

1. When I \_\_\_\_\_ into your eyes
2. I can \_\_\_\_\_ a love restrained
3. But, darlin', when I \_\_\_\_\_ you
4. Don't you know I \_\_\_\_\_ the same?
5. 'Cause nothin' \_\_\_\_\_ forever
6. And we both \_\_\_\_\_ hearts can change
7. And it's hard to \_\_\_\_\_ a candle in the cold November rain

## PUT THE LINES IN THE CORRECT ORDER

- Just tryin' to kill the pain, oh, yeah
- But lovers always come and lovers always go
- We've been through this such a long, long time
- Walking away
- And no one's really sure who's lettin' go today
  
- Just knowin' that you were mine
- To lay it on the line
- I could rest my head
- If we could take the time
- All mine
