Breakaway - Kelly Clarkson

(1 - 6)
( ) And if I'd end up happy
( ) Grew up in a small town
( ) Dreamin' of what could be
( ) I'd just stare out my window
( ) I would pray
( ) And when the rain would fall down

(1 - 7)
( ) So I'd pray
( ) Wanted to belong here
( ) Felt like no one could hear me
( ) Trying hard to reach out
( ) But something felt so wrong here
( ) But, when I tried to speak out
( ) I could break away

Chorus
(1 - 8)
( ) I'll take a risk, take a chance, make a change
( ) I'll do what it takes till I touch the sky
( ) Out of the darkness and into the sun
( ) And break away
( ) I'll spread my wings and I'll learn how to fly
( ) And break away
( ) But, I won't forget all the ones that I love
( ) And I'll make a wish, take a chance, make a change

(1 - 6)
( ) Wanna feel the warm breeze
( ) Get onboard a fast train
( ) And break away
( ) Sleep under a palm tree
( ) Travel on a jetplane, far away
( ) Feel the rush of the ocean

Repeat Chorus
(1 - 5)
( ) Maybe I don't know where they'll take me
( ) Swinging round revolving doors
( ) Fly away, break away
( ) But, gotta keep moving on, moving on
( ) Buildings with a hundred floors

(1 - 8)
( ) Though it's not easy to tell you goodbye, gotta
( ) And break away
( ) And break away
( ) I'll spread my wings and I'll learn how to fly
( ) Out of the darkness and into the sun
( ) I gotta take a risk, take a chance, make a change
( ) Take a risk, take a chance, make a change
( ) But, I won't forget the place I come from

Breakaway - Kelly Clarkson

Grew up in a small town
And when the rain would fall down
I'd just stare out my window
Dreamin' of what could be
And if I'd end up happy
I would pray

Trying hard to reach out
But, when I tried to speak out
Felt like no one could hear me
Wanted to belong here
But something felt so wrong here
So I'd pray
I could break away

I'll spread my wings and I'll learn how to fly
I'll do what it takes till I touch the sky
And I'll make a wish, take a chance, make a change
And break away
Out of the darkness and into the sun
But, I won't forget all the ones that I love
I'll take a risk, take a chance, make a change
And break away

Wanna feel the warm breeze
Sleep under a palm tree
Feel the rush of the ocean
Get onboard a fast train
Travel on a jetplane, far away
And break away

I'll spread my wings and I'll learn how to fly
I'll do what it takes till I touch the sky
And I'll make a wish, take a chance, make a change
And break away
Out of the darkness and into the sun
I won't forget all the ones that I love
I gotta take a risk, take a chance, make a change
And break away

Buildings with a hundred floors
Swinging round revolving doors
Maybe I don't know where they'll take me
But, gotta keep moving on, moving on
Fly away, break away

I'll spread my wings and I'll learn how to fly
Though it's not easy to tell you goodbye, gotta
Take a risk, take a chance, make a change
And break away
Out of the darkness and into the sun
But, I won't forget the place I come from
I gotta take a risk, take a chance, make a change
And break away
