

## Breakaway - Kelly Clarkson

### (1 - 6)

- ( ) And if I'd end up happy
- ( ) Grew up in a small town
- ( ) Dreamin' of what could be
- ( ) I'd just stare out my window
- ( ) I would pray
- ( ) And when the rain would fall down

### (1 - 7)

- ( ) So I'd pray
- ( ) Wanted to belong here
- ( ) Felt like no one could hear me
- ( ) Trying hard to reach out
- ( ) But something felt so wrong here
- ( ) But, when I tried to speak out
- ( ) I could break away

### Chorus

### (1 - 8)

- ( ) I'll take a risk, take a chance, make a change
- ( ) I'll do what it takes till I touch the sky
- ( ) Out of the darkness and into the sun
- ( ) And break away
- ( ) I'll spread my wings and I'll learn how to fly
- ( ) And break away
- ( ) But, I won't forget all the ones that I love
- ( ) And I'll make a wish, take a chance, make a change

### (1 - 6)

- ( ) Wanna feel the warm breeze
- ( ) Get onboard a fast train
- ( ) And break away
- ( ) Sleep under a palm tree
- ( ) Travel on a jetplane, far away
- ( ) Feel the rush of the ocean

### Repeat Chorus

### (1 - 5)

- ( ) Maybe I don't know where they'll take me
- ( ) Swinging round revolving doors
- ( ) Fly away, break away
- ( ) But, gotta keep moving on, moving on
- ( ) Buildings with a hundred floors

### (1 - 8)

- ( ) Though it's not easy to tell you goodbye, gotta
- ( ) And break away
- ( ) And break away
- ( ) I'll spread my wings and I'll learn how to fly
- ( ) Out of the darkness and into the sun
- ( ) I gotta take a risk, take a chance, make a change
- ( ) Take a risk, take a chance, make a change
- ( ) But, I won't forget the place I come from

## Breakaway - Kelly Clarkson

Grew up in a small town  
And when the rain would fall down  
I'd just stare out my window  
Dreamin' of what could be  
And if I'd end up happy  
I would pray

Trying hard to reach out  
But, when I tried to speak out  
Felt like no one could hear me  
Wanted to belong here  
But something felt so wrong here  
So I'd pray  
I could break away

I'll spread my wings and I'll learn how to fly  
I'll do what it takes till I touch the sky  
And I'll make a wish, take a chance, make a change  
And break away  
Out of the darkness and into the sun  
But, I won't forget all the ones that I love  
I'll take a risk, take a chance, make a change  
And break away

Wanna feel the warm breeze  
Sleep under a palm tree  
Feel the rush of the ocean  
Get onboard a fast train

Travel on a jetplane, far away  
And break away

I'll spread my wings and I'll learn how to fly  
I'll do what it takes till I touch the sky  
And I'll make a wish, take a chance, make a change  
And break away  
Out of the darkness and into the sun  
I won't forget all the ones that I love  
I gotta take a risk, take a chance, make a change  
And break away

Buildings with a hundred floors  
Swinging round revolving doors  
Maybe I don't know where they'll take me  
But, gotta keep moving on, moving on  
Fly away, break away

I'll spread my wings and I'll learn how to fly  
Though it's not easy to tell you goodbye, gotta  
Take a risk, take a chance, make a change  
And break away  
Out of the darkness and into the sun  
But, I won't forget the place I come from  
I gotta take a risk, take a chance, make a change  
And break away
