### Sushi

Sushi is my favorite food. It is fresh, light, and full of flavor. I like how each piece looks so beautiful with rice, fish, and seaweed. My favorite type of sushi is salmon, but I also enjoy tuna. Sushi tastes very clean, and it does not make me feel too full. I enjoy dipping it in soy sauce and adding a little wasabi for spice. I can eat sushi for lunch or dinner, and it always makes me feel happy. That is why sushi is my favorite food.
