2 Read the texts about Finley's and Olivia's towns. Answer the questions.

Finley

I live in the centre of Rompton. It's a small town, but I like it! I live next to an Indian restaurant. We sometimes have lunch there, and the food is delicious! There are a lot of shops near my house, and there's a supermarket, too. My town hasn't got a cinema, but it's got a great library. I can borrow DVDs and ebooks from the library – it's my favourite place. My school is very near my house, so I can walk there. Some of my friends go by car.

Olivia

I live in Flatterly, but I don't live in the centre of the town. I live opposite the hospital I get the bus to school because it's too far to walk. There's a shopping centre near my house, too. There's a cinema in the shopping centre, and I sometimes go there with my friends. In the centre of town there are a lot of shops, some restaurants and a library. My town has got two swimming pools, but one only opens in the summer. The summer swimming pool is my favourite place in Flatterly.
