LIVEWORKSHEETS

Task 2: Read the definition and write

1. _____: A retail establishment specializing in the sale of books, often organized by genre or topic. Some shops may also sell stationery or host literary events.

2. _____: A store where medicinal drugs are prepared and sold, often providing other health and beauty products. In some countries, it's known as a pharmacy or drugstore.

3. _____: A business that sells garments for men, women, and children. These shops can range from high-end fashion boutiques to casual wear outlets.

4. _____: A large retail outlet divided into sections, each selling different types of products such as clothing, furniture, electronics, and cosmetics, all under one roof.

5. _____: A store specializing in electronic equipment, including devices like smartphones, computers, TVs, and home appliances, as well as accessories.

6. _____: A specialized store that offers musical instruments, equipment (like amplifiers and microphones), and sheet music. Some may also sell recorded music like CDs or vinyl.

7. _____: A shop primarily selling newspapers, magazines, tobacco products, and sometimes snacks or lottery tickets. It typically focuses on printed media.

8. _____: A retail store focused on selling various types of footwear, ranging from everyday shoes to sports shoes and formal footwear.

9. _____: A store where equipment and clothing for sports activities are sold, such as items for soccer, tennis, running, or gym training. Some may also offer specialized gear for different sports.

10. _____: A large self-service retail store that sells groceries, household goods, and often some non-food items like toiletries and cleaning supplies. Supermarkets are typically organized into aisles by product type.
