# Lesson 1

## 1 Listen and read. What is Lorena like? What is Carla like? TR: 1.1

Carla and Lorena are twins. They're nine years old. They're the same in many ways. But they're different in many ways, too.

Carla is loud. She talks a lot. She's got lots of friends. She's funny, too.

Both Carla and Lorena are tall with curly hair. They're clever. They're crazy about building and making new things. These twins are best friends.

Lorena is quiet. She's got two good friends, but she's often with her sister, Carla.

## Lesson 2

### 1 Listen and read. How do emperor penguins keep their eggs warm? TR: 1.4

Emperor penguins are amazing birds and great parents. They can't fly, but they can swim really well. The mother has one egg every winter. She gives her egg to the father. Then she goes to the sea for food. It's very cold, and the father keeps the egg warm on his feet. He stays with the egg, and he doesn't eat. After two months, the baby comes out of the egg. Soon, the mother is back with their food. The father can leave for food now.
