Swimming

I love swimming. Every summer, I go to the pool with my family. I swim in the water for hours. I am a good swimmer. I swim fast, and I like to dive into the water.

I love swimming because it is cool and relaxing. The water feels good on hot days. When I swim, I feel free and happy. I enjoy playing with my friends in the pool. We race each other and have a lot of fun.

I want to swim in the ocean one day. I watch videos of people swimming in the sea. Swimming is my favorite sport because it makes me feel calm and strong.
