Tennis

I enjoy playing tennis. Every weekend, I go to the tennis court with my dad. We play tennis together. I am learning how to hit the ball over the net. I am getting better every day.

I enjoy tennis because it is exciting. I like to run and hit the ball. Tennis makes me feel energetic and strong. I also like to play with my dad. We laugh and have a good time together.

I dream of being a tennis player one day in the future. I watch tennis matches on TV and learn new techniques. Tennis is my favorite sport because it is fun, and it helps me stay healthy.
