

Conversation 1

Reporter: How would you describe your personality?

Are you _____ or quiet? _____ or shy?

Old-fashioned, serious, _____, romantic, fun?

Are you basically an optimist or a pessimist?

Woman: Oh, wow! I'm very talkative. I'm _____

open with people. _____, I guess, some people would describe me as.

I'm _____. I will basically talk to anybody about anything.

If they ask me. Yeah, I'm a _____. I can be shy.

Takes me a little while to get comfortable in new surroundings.

But then once I'm comfortable, I kind of open up and

I'm ok. I'm _____ easy to talk to.

I have people sit down next to me on the subway and

will tell me their life story, and I don't even know them. I have that effect.

Reporter: How do you think other people see you?

Woman: They see me a little bit differently, I think than I do.

They see me a little more _____ than I feel inside.

But overall, no, I think they see me as a very sincere, trustworthy _____.

Conversation 2

Woman: I would say _____, not shy.

I try to be _____. I think...

I think that's probably what comes off the most. Is that I smile all the time.

I try to, and it just helps... make you happier anyway, so, yeah.

I'm generally a _____ person.

I try to stay upbeat and not let that much get me down, and

I'm very _____. I like to meet new _____.

I love the city because you get to meet so many new people.

Just walking down the street you meet new people and _____

and things like that. So, yeah, pretty _____ in general.

Reporter: And do you think other people see you that way too?

Yeah, I _____ do. I probably see myself

a little bit differently than other people see me, but only in terms of,

'cause I know my full self and _____

just see what they see, you know? But I think it's generally

_____ is what everybody would say.

Conversation 3 Woman: I would say I am very _____

I'm fun. I'm very _____. And gosh!

I'm ... sometimes I can be introverted. I think I have a lot of qualities

that an _____ person would have,

but I also have qualities that maybe a _____

person would have, so it kind of balances me out.

Sometimes it depends on the environment, sometimes

I'm off the wall, other times I'm little more _____
