Unit 1: Working together

1.5. Whose team are you on?

1 Put the story parts into the correct order. Then listen.

Listening audio

1	Bat wants to be on the winning football team. He joins the Mammal's team.
	The Mammals and the Birds score so it's 1–1. Then the Birds score 2 more points so it's 3–1.
	Bat doesn't want to be on the losing team so he joins the Birds' team.
	The animals think that Bat is not playing fairly. They don't want to play with him.
	The Birds score again. Now it's Birds – 4; Mammals – 1.

❷ Read and answer these questions.

We're working together and we're inventing a new sport with a hoop, some balloons, some cups and two tennis rackets.

Olivia and Jason are measuring the floor. They're marking the court.

Anya isn't helping them because she's blowing up balloons.

Itesh is hopping inside the hoop.

What am I doing? I'm writing the rules.

Example:

Who are measuring the floor? *Olivia and Jason* .....

Questions:

1. Who is hopping inside the hoop? .....
