Look at me

It ..... was not easy

But I can breathe

And I'm so grateful 'cause I can see

I am .....

To do exactly what I please

So ..... with me

To a ..... where we can be

I wanna touch the sky

I wanna .....so high

I wanna hold you

I wanna .....you tonight

I wanna satisfy

I wanna make you cry

Follow me

To a ..... where we can be

Absolutely free

To be exactly what you ..... to be

Completely

Lose ....., that's when I need you more

Give me the .....

To set your heart and spirit free

I know what I want and I know that I ..... it right now

Gonna take you on a ..... to a far away place now

Oh, like a ..... in the sky, just you and I

I'm gonna fly like a bird in the sky, just you and I

We're gonna fly like a bird in the sky, just you and I
