

Look at me

It was not easy

But I can breathe

And I'm so grateful 'cause I can see

I am

To do exactly what I please

So with me

To a where we can be

I wanna touch the sky

I wannaso high

I wanna hold you

I wannayou tonight

I wanna satisfy

I wanna make you cry

Follow me

To a where we can be

Absolutely free

To be exactly what you to be

Completely

Lose that's when I need you more

Give me the

To set your heart and spirit free

I know what I want and I know that I it right now

Gonna take you on a to a far away place now

Oh, like a in the sky, just you and I

I'm gonna fly like a bird in the sky, just you and I

We're gonna fly like a bird in the sky, just you and I
