"Tell us what you like to do in your free time. Explain why you like to do this."

Soccer

In my free time, I like to play soccer. I enjoy playing soccer because it is fun and active.

Every weekend, I play soccer with my friends. We run, kick the ball, and score goals. Playing soccer keeps me healthy and strong. It also teaches me teamwork and discipline.

Soccer is special because it brings people together. It is a time of energy and excitement.
