

# Hey Hello by Peder Elias & Cha Eun-Woo

\* Listen to the song and fill in the blanks.

We all \_\_\_\_\_ somebody  
We all want someone to \_\_\_\_\_  
For \_\_\_\_\_ we feel lonely  
And no place feels like \_\_\_\_\_  
We go out the same nights  
\_\_\_\_\_ no one really knowing why  
We all need somebody mmm  
But I don't know where to go without you  
By my \_\_\_\_\_ Oh I  
**[Chorus]**  
I \_\_\_\_\_ hey hello  
Have you ever been to \_\_\_\_\_  
\_\_\_\_\_ Jamaica or Tokyo  
Had drinks in Malibu  
I said hey hello  
We could \_\_\_\_\_ the Mona Lisa  
Fly to \_\_\_\_\_ and try the pizza  
Oh anywhere'll do Yeah anywhere's cool  
If that means you You you you  
Yeah anywhere is cool if that means you

Be my \_\_\_\_\_  
Come \_\_\_\_\_ to the city lights  
The man along the river bank  
he plays your \_\_\_\_\_ song  
Take me by the \_\_\_\_\_ And don't \_\_\_\_\_ it go  
Tell me everything Oh I wanna know  
Yeah I might be crazy but I can't be without you  
Cause I don't know \_\_\_\_\_ to go without you  
\_\_\_\_\_ my side Oh I

**[Chorus]**  
\_\_\_\_\_ right here  
Stay with me tonight  
Stay right \_\_\_\_\_  
I need you \_\_\_\_\_ my side  
Stay right here  
Stay with me \_\_\_\_\_  
Stay right here  
You \_\_\_\_\_ me going like  
**[Chorus]**
