Sent: July 5, 1:15 P.M.

Dear Team,

I hope you're doing well. As we prepare for our upcoming IT training session on July 12th, I would like to gather your input to ensure that the session is as relevant and beneficial as possible for everyone.

If you have any specific topics, tools, or challenges you'd like to see addressed during the training, please share your ideas with me by July 9th. Your suggestions could range from general IT practices to software or systems you feel would be useful to cover.

Your input is valuable in helping us tailor the session to meet our team's needs and ensure that everyone gains practical knowledge from the training.

Thank you for taking the time to contribute. I look forward to your suggestions.

Best regards,
Rachel Geller
