My Teacher

I like my teacher, Mr. Johnson, very much. He teaches maths and makes the subject easy to understand. Mr. Johnson is patient and always answers our questions. He uses fun examples to explain difficult concepts. He also encourages us to do our best and never give up. Mr. Johnson is kind and always supports his students. He makes learning enjoyable and interesting. I like Mr. Johnson because he cares about our success and helps us improve. We all feel motivated in his class. Mr. Johnson is a great teacher, and I am happy to learn from him.
