- The expression *I've got a bad ...* means *I've got a pain in my ...*. It can be used with most parts of the body. For example *I've got a bad back / knee / foot / leg / eye / throat*. We don't use it with *head*. ~~*I've got a bad head*~~.
- The word *tummy* is often used for *stomach*. It is more informal than *stomach*.
