The giraffe family

Julian and Stephanie Fennessy are giraffe experts. They live in Namibia in Africa with their **son**, Luca and **daughter**, Molly. They aren't from Namibia. They live there because of the giraffes.

Luca (twelve years old)

We help our **parents** with the giraffes. We use photos to see which giraffes are there. We know many giraffes because they all have different spots. Our family is from different places – my dad is from Australia, and my mum is from Germany.

Molly (nine years old)

Giraffes are cool. They are tall and their colours are beautiful. I like their soft noses. Melvin is the name of my favourite giraffe. I like living here, but we don't see our **grandparents**, uncles and aunts or cousins in Germany and Australia very often.
