"Tell us about a job that you want to have in the future. Explain why you want to have this job."

A Doctor

I want to be a doctor in the future. I like helping people feel better. Doctors take care of sick people and make them healthy. I want to learn about medicine and how to treat different illnesses. Being a doctor is important because it saves lives. I want to help my community and make a difference. That is why I want to be a doctor.
