"Tell us about a job that you want to have in the future. Explain why you want to have this job."

A Pilot

I want to be a pilot in the future. I love airplanes and flying. Being a pilot means I can travel to different places and see the world from above. I want to learn how to fly and navigate the skies. Pilots help people reach their destinations safely. I want to experience the thrill of flying and explore new horizons. That is why I want to be a pilot.
