A Policeman

In the future, I want to be a policeman. I like this job because I help people and keep them safe. A policeman stops bad people and makes sure everyone follows the rules. I want to protect my community and make the streets safe for everyone. I also like that a policeman helps in emergencies, like when someone is hurt or lost. Every day is different, and I meet new people. I feel proud when I think about helping others and keeping peace. I want to wear the uniform and work with other policemen as a team. I also like that this job is important and respected. Being a policeman makes me feel like I do something good for the world. This is why I want to be a policeman in the future.
